- EIC Summer School: Accessing finance made easy, *5th and 12th July 2024*

CALLS FOR PROPOSALS

Attraverso i programmi europei a gestione diretta, l'UE sostiene finanziariamente lo sviluppo di progetti che contribuiscono a realizzare gli obiettivi politici della Commissione per la programmazione 2021-2027. Tali programmi prevedono specifiche **call for proposals** pubblicate e gestite direttamente dalla Commissione europea e dalle sue Agenzie esecutive. Ciascun programma può prevedere regole di candidatura distinte e anche le modalità di gestione e rendicontazione delle attività realizzate e delle relative spese possono essere diverse.

EIT Manufacturing: Accelerate Programme

Accelerate programme supports and grants financing to start-ups and scaleups with innovative solutions and technologies, to tackle critical industrial challenges identified across the following thematic areas:

- Digitalisation and Automation;
- Net Zero Industry;

- Renewable Energy;
- Circular Economy.

The available financial support ranges from 50.000 € to 500.000 €/company.

Funding programme: Horizon Europe – European Innovation and Technology Council

Call & Topic ID: HORIZON-EIT-2023-25-KIC-EITMANUFACTURING - EIT Manufacturing Business Plan 2023-2025

Deadline: 1st cut-off: 27th July 2024; 2nd cut-off 10th September 2024; 3rd cut-off 18th October 2024; 4th cut-off date 16th December 2024

Applicants: start-ups with solutions at TRL 6 or higher

Activity sector: start-up acceleration

Partnership: not required

More info: [info day](#)

INTERREG Euro-MED: Call 5 on Thematic Strategic Territorial projects

This call aims to support projects responding to the needs and joint challenges of a specific type of territory addressing identified strategic topics. The proposals have to produce a territorial impact and involve all relevant stakeholders to trigger tailor-made solutions or strategies, by studying (developing), testing, and transferring solutions or strategies, in line with the following Programme priorities: 1) A Smarter Mediterranean; 2) A Greener Mediterranean.

Funding programme: Interreg Europe Programme

Call & Topic ID: Call 5 on Thematic Strategic Territorial projects

Deadline: 26th September 2024 pre-application phase | 28th February 2025 full application phase

Applicants: National, regional and local public bodies, Public equivalent bodies, Private institutions, including private companies

Activity sectors: interregional cooperation

Partnership: required (the Lead Partner is a public body or a body governed by public law)

CASCADE FUNDING

Il supporto finanziario a parti terze o “cascade funding” è un meccanismo di finanziamento della Commissione europea attraverso cui il consorzio beneficiario è incaricato di distribuire sovvenzioni ad entità terze attraverso le cosiddette “open calls”. Accedere a una sovvenzione derivante da una open call consente di ricevere un finanziamento pubblico per eseguire specifiche attività di ricerca e innovazione (studi, esperimenti, azioni pilota) senza dover incorrere negli oneri burocratici delle tradizionali call for proposals. Nella presente sezione sono riportate anche le call pubblicate nell’ambito delle KICs (Knowledge and Innovation Communities) dello European Institute of Innovation and Technology (EIT).

CirclnWater Internationalisation lump sum – 1st round

CirclnWater project is launching its Internationalisation lump sum call, meant for an individual SME that is offering water-smart solutions, especially for the agrifood and energy-intensive industries, and that is willing to boost its development or growth via internationalisation activities towards North America (Canada & USA).

Deadline: July 22nd 2024

Applicants: SMEs established in EU member states

Activity sectors: internationalisation

Partnership: not required

ELBE Eurocluster second call for financial support to innovation individual services (SMP-COSME-2021-CLUSTER)

The target audience of the ELBE Eurocluster call for individual services is European innovative SMEs from the Offshore Renewable Energy (ORE) sectors intending to bring solutions that will address and match with one of the thematic priorities of ELBE Eurocluster. The budget of this call is 130.000 €; at least 13 individual services will be supported with up to 10.000 €.

Deadline: August 31st 2024

Applicants: innovative SMEs from the Offshore Renewable Energy (ORE) established in EU Member States or SMP associated countries

Activity sectors: innovation

Partnership: not required

ELBE Eurocluster second call for financial support to training (SMP-COSME-2021-CLUSTER)

This call aims at supporting European innovative SMEs from the Offshore Renewable Energy (ORE) in accessing training services according to the following modules:

- Training Module A: Sustainability & Digitalization: Designing Strategies for Increased Competitiveness and Innovation
- Training Module B: Sustainable Business, with a focus on general ESG issues, UN Sustainability goals, and a materiality analysis
- Training Module C: Factlines Platform for ESG reporting (incl. SW-license)
- Open Training Module

The total budget of the call is 189.000 €; 14 SMEs will be supported with up to 13.500 € for each training module.

Deadline: August 31st 2024

Applicants: innovative SMEs from the Offshore Renewable Energy (ORE) established in EU Member States or SMP associated countries

Activity sectors: innovation

Partnership: not required
